well at least it will come at a time when you will be "off" anyway - so you can sort out what to do once you get back into working. I know you will still do people's hair here and there I am sure - but you know what I mean.

████████████████████████████ i should send her something.

zingbot! yey!! hahahha

yes, it will not be easy - but at least the hard work will be for someone you love ;)

you do need to calm down - i know i woudl be the same way though. you can only do what you can do and that has to be good enough. they will have to survive on thier own while you are out.
